Indonesia- <https://www.emtek.co.id/>

About Emtek Group

Founded in 1983 as PT Elang Mahkota Teknologi (the EMTEK Group), a company providing personal computer services, the EMTEK Group has evolved into a modern, integrated group of companies with four main business: Media & Digital, Healthcare, Financial Services & Others, and Technology & Digital Infrastructure.

Mission and Vision of Emtek

VISION

To be a leading and reliable provider of media, digital technology infrastructure healthcare services and financial services in Indonesia that offer solutions to serve the needs of the Indonesian people in a sustainable manner.

EMTEK always strives to be the people's first choice in media, digital technology infrastructure, healthcare services, and financial services by offering a variety of innovative solutions to meet the dynamic needs of the customers.

EMTEK promotes a culture of learning, innovation and continuous improvements in order to realize a better and world-quality experience for all users of products and services available within the EMTEK ecosystem.

EMTEK creates a fair economy powered by technology on our innovative online and offline platforms to open up equal opportunities for everyone.

EMTEK encourages change in the way people do the business, access quality financial and health services, obtain information and enjoy entertainment through the use of the latest technologies enabled through synergy between business entities within the EMTEK ecosystem
