to placementcell

Hello,

Dear Placementcell of perfect Elearning team

Hope you are all doing well!!!

hello placement team my name is Deepak who is an employee of Kore AI Online and my joining date was 09/10/2021. the company and it was told by KoreAI online solution team said that on the month last day of working your salary will be deducted from my parent's salary.

It is my humble request to the placement team to send me an email that no EMI loan will be deducted from my parent's salary.

If the salary is not coming from the company then still Bajaj Finance team is ready to reduce the EMI. I request the team to reduce the EMI.

From Perfect Elearning team needs notice and mail. If salary is not received then EMI loan will be paid by the company if possible.

Again I request you to mail me from perfectE learning that no EMI will be deducted if the salary is not paid.

Your Faithfully
