Hello All,

I am sure you are excited to start your professional journey with us. We are equally excited to welcome you.

I am writing to address some of the questions that you may have as we undergo pre- joining.

What is my Date of Joining?

Your date of joining is Oct 9, 2023 i.e. your payroll will start from this date provided you have completed all the paperwork for pre-joining. This includes submission of all documents to our team and Prefect E-Learning team. Any delay in submission of documents (i.e. later than Oct 7, 2023) will mean a change in date of joining.

When will I receive my Laptop, official email id, joining letter, & etc.?

We are working with our shipping partners to ensure that you receive your laptops during next week (Monday/Tuesday) provided you have completed all the pre-joining formalities by Oct 7, 2023.

When will the salary be credited?

We process salary on the last working day of the month. You will be able to download your salary slip from our HRMS portal. Login details of the HRMS portal will be shared as part of your onboarding.

When will I start training?

There are 2 types of training you will undergo. One part will be taken care of by Perfect E-Learning and another by our L&D team. Perfect E-Learning will share the schedule of your training based on your domain directly with you.

For Product and Company specific training, you will receive details once your official email id is active.

All the best. We are looking forward to welcoming you.

Regards,
Ankur Gupta

Hello All,

I am writing to share that our systems are currently undergoing upgradation involving migration of servers. As we are migrating our domain server and email services provider, it has impacted our website, and email services.

I understand that some of your messages may not have been missed by our team. Apologies for the same and thank you for your understanding.

As you embark on the final stage of onboarding, Perfect E-Learning team is equipped to handle your queries. Please work with them to complete the pre-joining formalities.

We are excited to onboard you and wish you all the best.

Best regards,
Ankur Gupta
