Dear HR of Perfect Elearning,

I am writing to request the cancellation of my course enrollment and the immediate cessation of the EMI process associated with my enrollment in the course offered by KoreAI.

I have recently become aware of several concerns and issues regarding KoreAI that have raised doubts about the legitimacy and integrity of the company. After thorough research and consultation with trusted sources, it has become evident that KoreAI is not a legitimate organization as previously believed. This realization has compelled me to reconsider my decision to continue with their course.

In light of these concerns and my desire to maintain financial prudence, I kindly request your assistance in canceling my enrollment in the course and halting any further EMI payments associated with it. Kindly write an email to Bajaj Finserv Ltd. to cancel our EMI immediately. Please let me know the necessary steps and documentation required from my end to initiate the cancellation process and stop the EMI payments. I value the services provided by your organization and hope to maintain a positive relationship with you. If you require any additional information from me to expedite this process. I am open to discussing this matter further to reach a mutually agreeable resolution. I am confident that you will handle this request with the utmost professionalism and efficiency. Thank you for your understanding and cooperation in this matter. Take this matter at urgent and do the needful action immediately.

Sincerely,
Shrey Mishra
